### Questions

**What happens when a student leaves the Fleming County School District?**

The Microsoft Office 365 subscription ends.

**Can the software be installed on more than one device?**

Yes. It can be installed on up to 5 devices. After installing the software, the installation page will display the names of the devices using the licenses. Students can deactivate licenses here if new devices are purchased and need to use one of the Office 365 licenses.

**What if I don't know my Fleming County provided student email address?**

Contact the School Technology Coordinator in your school.

**Who provides customer support for the student downloads of Office 365?**

Students should seek support from the link provided on the software installation page or the online Office 365 Community forum.
