

Simons Middle School

19.0 – School Space Use

CRITERIA FOR ASSIGNING SCHOOL SPACE

The principal will assign the use of school space during the school day in a manner that will:

1. Take each student’s developmental needs into account.
2. Facilitate the implementation of our school improvement plan.
3. Maximize staff opportunities for sharing resources, mentoring, and collaborating with teachers and students of similar grade levels, subject areas, or collaborative groups for consecutive years.
4. Consider the instructional teams and their proximity to team members within the school.

CLASSROOM SPACE ASSIGNMENTS

To assign classroom space, the principal will:

1. In April, using recommendations from the School Culture and Resources Committee, determine changes to School Space Use for the school year to follow.
2. Prior to the end of the school year tentatively assign classroom space based on the criteria in the first section of this policy and notify all staff members of their individual assignments.
3. In the fall of the year, notify the council of how classroom space has been assigned.

ALTERING CLASSROOM SPACE ASSIGNMENTS

After assigning classroom space, the principal may alter those assignments:

1. When necessary to respond to unanticipated enrollment or staffing changes.
2. When the principal and affected teachers agree that a change is needed.
3. When the council changes other policies or the school improvement plan and recognizes in the minutes that those changes may require space use changes that cannot be put off until the next school year.

ASSIGNMENTS OF NON-CLASSROOM SPACE

For non-classroom space, the principal will make decisions based on the criteria in the first section of this policy after consulting with staff members who work or will work in any space affected by change from existing arrangements.

POLICY EVALUATION

We will evaluate the effectiveness of this policy through our school Improvement Planning Process.
