- Please monitor students if they are sent to the stage to get bulletin board paper. Students have a difficult time pulling the paper off the rolls and paper is being wasted.

Message from Kristen

“Remember, discipline is the difference between goals and accomplishments.” –Jim Rohn

Flemingsburg Family,

The holidays are quickly approaching and excitement is beginning to fill the air at FES. This is a critical time for our students and for our school. We all need to remember to have fun with our students and their learning. Instruction can be meaningful and valuable and also fun at the same time. This is the focus we need to carry into the two days of school prior to Thanksgiving Break. Instilling a strong instructional focus for our students in the days ahead will increase the effectiveness of our school days. Let's finish the next two days of school in a strong way and remember---a long break is quickly approaching!

Thank you for all you do. Have a great weekend. - Kristen
