Dear FES Parents and Guardians,

Welcome to the 2018-19 school year! We are very excited to partner with each of you to make Flemingsburg Elementary School the best school it can be for our students and community. We know that a successful school depends on the relationships built amongst stakeholders. Please use the contact information to the left to reach us at any time. There are also multiple opportunities for parents to get involved in the school. We invite you to attend our first Parent Cohort meeting of the school year, in which school staff and guardians meet and work to improve the educational experience of our school. Parents and guardians can also sign up to be a volunteer at school or to become a member of our school's incredible Parent Teacher Organization (PTO). Everyday parents are welcome to eat lunch with their student during the student's lunch period after signing in at the front office of the school.

»»→ Big Smiles Mobile Dentist, September 4-5 (forms sent home)

»»→ Labor Day, September 3, 2018, No School

»»→ FES Fall Festival, September 21, 2018

»»→ Parent Cohort Meeting, September 20th @ 6:00 in the FES Library

Flemingsburg Elementary School is home to preschool through sixth grade students. Our students participate in special classes throughout the week, visiting art, gym, library, music and STEAM class once per week. We work together to ensure our reading, math, writing, social studies and science curriculums prepare students for success at the next level. Thanks to our incredible PTO, FES added 270 Chromebooks to our classrooms last year. We are working toward our goal of each student having access to a Chromebook at all times throughout the school day and more Chromebooks will be added to our classrooms soon. We know technology literacy is crucial in preparing our 21st Century learners.

Our vision at Flemingsburg Elementary School is to become a School of Distinction. To us, this means being the best elementary school we can be for our students, staff, and community- providing a first-rate education and outstanding opportunities and experiences for our kids. Collaborating with parents and providing excellent learning opportunities are key components of meeting our vision.

*Our vision is to Become a School of Distinction!*

FES is partnering with The Fleming Shopper to release a Bobcats News publication each week! Stay tuned!!

To improve safety precautions, we will be implementing a new pick-up procedure soon. More information will follow.

Message from Mrs. Manning (Continued)

This year our school district is proud to begin piloting the BRIDGE Performance Indicators, which are designed to engage students in relevant, rigorous, and personalized learning experiences. The BRIDGE Performance Indicators will allow students to further explore their goals, passions and aspirations. Your child's teacher is happy to share more information with you about the indicators or about anything happening in class.

I am looking forward to an excellent school year working with each of you. Thank you for being such an amazing support system to your child's school!

With Much Appreciation,

Mrs. Kristen Manning  
Flemingsburg Elementary School  
Principal  
kristen.manning@fleming.kyschools.us

-ALL students receive free breakfast and lunch. Please make AM if they are eating breakfast at school.

-Please return all beginning of the year paperwork to the school ASAP.

-Volunteer forms are available in the Family Resource Center! We would love to have you as a volunteer!

-Attendance is crucial to your child's success! Please try your best to have your child at school each day!

-If you need to change your child's after school destination, please send a note to school with your child if possible instead of calling the school. This allows staff ample time to prepare for the change.
